**8 October - Christmas retains the AC One Ball Handicap Trophy.**

Mike Christmas became only the second player to successfully retain the AC One Ball Handicap tournament title this morning, when he emerged as the clear winner with a winning record of 80%, ahead of four others tied in second place on 60%.

The identity of the winner was in doubt until that last of six rounds because all the leaders had beaten one or more of each other, but Christmas's canny use of his bisques brought him a very deserved victory. Despite this hastily re-arranged date it was good to see the participation number rise from 6 last season to 9 this time, with almost all of our active AC players able to take part.

Mike was re-presented with the lovely Wooden Ball trophy.
