Winners receive the **Barnses Cups**

May 2019 - Colman and Goldring pair up to win Spring AC Tournament

The Spring AC Tournament for the Barnses Cup, has gone through many formula changes over the years. As participation on the day was low, Raghu Iyer and Robin Coates played a competition match, while Frances Colman and Chris Roberts took on junior partner for a hi-low pairings alternate strokes match.

The tournament was not furthered during the season and it was decided to award the Barnses Cups to the winners of that Alternate Strokes match:

Frances Colman & Roger Goldring
