Charity One Ball Handicap Tournament 2017

[26 April - Our Charity One-Ball raises £130 for Parkinson's UK](#)

Chris Roberts was undefeated in today's Charity One-Ball tournament but the real winner was Parkinson's UK who benefitted to the tune of £130.

A field of 12, bedecked in the charity's blue house colour, survived a cold start and played six rounds of games before calling it a day.

Roberts' closest match was a one point victory over Raghu Iyer and he met Peter Haydon in a last round de-facto final, in which nothing went right for the latter.

Neither Roberts nor Haydon are available to play in the National Final and so our next two highest finishers will be offered the chance to represent us.

Roger Goldring missed this event as he was away on a coaching course but generously donated a £10 entry fee to the cause anyway.

Players taking part today: Chris Roberts 6 wins / 6 games (100%), Peter Haydon 4/6 (66%), Raghu Iyer 3/5 (60%), Joanna Iyer 3/5 (60%), Mike Fensome 2/5, (40%), Deon Melck 1/5 (20%), *others completing 4 rounds only: Michael Seagrief 3/4, Dianne Browne 2/4, Ian Norrris 2/4, Steve Morton 1/4, Frances Colman 1/4, Di Pascoe 1/4.*
